How to Ship Your Firearm to Center Mass

It's easy! Firearms can be shipped directly to Center Mass for customization *without* using another FFL. It is considered a repair. We can ship it directly back to you as well because it is your firearm and no transfer is taking place.

Step 1:

Fill out our Custom Laser Service Request Form and make a copy of your current driver license or state ID as follows:

- For STANDARD driver licenses / state IDs: Make a copy of both sides and include it in the shipment.
- For ENHANCED driver licenses / state IDs: Make a copy of the front only and include it in the shipment.

Note: The address on your ID must be your primary residence and will be used as the return shipping address. If you have an enhanced ID and your primary address is not on it, include a copy of your change of address too.

Step 2:

Put the unloaded firearm in a case. Put the cased gun into a box and add packing material to protect it during shipment. Include the copy of both sides of your ID and the completed Custom Laser Service Request Form.

Step 3:

Ship the box FedEx or UPS to us at: Center Mass, Inc., 33825 Plymouth Rd., Livonia, MI 48150. You cannot ship handguns via USPS unless you have an FFL and include a copy of your FFL in the shipment. *Note: Put insurance on the shipment for the entire replacement cost of the gun. Center Mass is not responsible for lost or stolen guns during shipment.*

Step 4:

After payment and completion of the engraving project, we will ship it back to you at the address provided on your ID. We will put insurance on the return shipment if you choose this optional service.

Center Mass, Inc.

33825 Plymouth Rd., Livonia, MI 48150
