Description: This school teaches the instructor candidate how to train the snipers in their organizations. The focus of this school is on instructor development, training organization and execution, liability reduction, operational tactics, and advanced sniper topics such as, moving targets, intermediate barriers, angle shooting, night vision update and urban tactics using academic and practical teaching methods. Instructors should already be proficient snipers and must have attended a Basic Sniper School prior to attending this school. Graduates of this course will be able to instruct basic and advanced precision rifle marksmanship to the police officer and make educated recommendations to the administration on deployment, equipment, & policy issues for the SWAT environment and Sniper Unit. Every graduate will have demonstrated proficiency in the weapons use from various shooting positions from 5 to 200 yards. Instructors will be exposed to moving targets, low light survival tactics and shooting, engagement of multiple adversaries, hostage rescue evolutions, judgment and scenario training, angle shooting if facilities allow, and intermediate barrier engagements.

Equipment Requirements: Sniper rifle (recommend .308) with quality scope, sling, binoculars and carrying case (pelican type case and drag bag). 600rnds of match grade ammunition, cleaning equipment to include a one piece rod, jags, solvent, and oil. Data book, 2 sets of BDU's w/boonie cap, camouflage gear and paint, cold/wet weather gear, flashlight w/red lens, duty belt, communications gear, hearing & eye protection, sun screen, insect repellent, glove for weak hand, personal body armor, and lunch/ plenty of water for each day.

Lodging: La Quinta Inn, 65 Columbus Blvd., New Britain, CT 06051. **Phone#** 860-348-1463. **Rate:** \$69.00 per night under the **"Center Mass Group Rate"**.
